New Announcement

The Clinical Services Department is pleased to announce the employment of Casey Burns, CTRS, as a Certified Recreation Therapist in the Adjunctive Therapy Department. Casey began her Orientation on July 21, 2014.

She comes to us with a baccalaureate in Recreation from Radford University of Virginia. She received her certification in Recreation Therapy in 2011. Her most recent work experience includes serving as a Recreation Therapist at River Park Hospital. We look forward to Casey bringing a fresh perspective to our current Recreation Therapy programs.
